Sir,

Subject -Appointment of Watchman to the Subbarayanakere Public Bath

I have the honour to state that the Old Subbarayana Kere has now been converted into a Public Park and a Radio has also been installed there some years ago The park has been attracting a large number of people and children daily, and the number of the floating population also who come and take their shelter in the two Choultries situated nearby - viz. Seethavilas choultry and the Amble Anniah Pandit's Choultry - is also considerably greater For the convenience of these people and also for the convenience of the poor people of the locality, it was considered necessary to have a set of lavatories and Public Baths there and accordingly the same have been constructed at one of the corners of the above park At present there is no watchman to the park with the result that stray cattle get into it much to the annoyance of the public. further people commit nuisance here and there and spoil the place so as to render it unapproachable by others, and sometimes the electric and water fittings even with their connections are stolen by undesirables

In order to keep an efficient watch over all these things and prevent such happenings, it has been considered very necessary to keep a watchman on the spot, stationed permanently, in the quarters constructed therefor, recently The Health Committee before whom the question came up for their consideration at their meeting held on 17-9-46 recommended 'That a watchman on Rs 14/- with the usual Dearness Allowance be appointed for the work' The Council sanctioned the above proposal at their meeting held on the 29th September 1946

 2954/K

In enclosing the copies of the resolutions, I request you kindly to obtain sanction of the Government to the appointment of a watchman from 1-10-46 for which due provision has been made in the Budget under D 5

I have the honour to be
Sir,
Your most obedient servant,
